

January 2020

CURRICULUM VITAE

David A. Kindig, M.D., Ph.D.
Emeritus Professor of Population Health Sciences,
Emeritus Vice Chancellor for Health Sciences,
University of Wisconsin-Madison School of Medicine and Public Health

Emeritus and Founding Co-Chair, NASEM/Institute of Medicine
Roundtable on Population Health Improvement

Education

College	Carleton College Northfield, Minnesota B.A.1962 (Biology)
Graduate	University of Chicago School of Medicine M.D.1968 School of Medicine, Ph.D.1968 (Experimental Pathology)
Traineeships	USPHS Predoctoral Trainee in Pathology 1964-65 USPHS Predoctoral Trainee in Pediatrics 1965-69
Internship	University of Chicago Department of Pediatrics, Intern 1968-69
Residency	Montefiore Hospital and Medical Center, Bronx, New York 1969-71, Pediatrics and Social Medicine, Chief Resident 1970-71

Employment

2002-Present	<u>Emeritus Professor of Population Health Sciences, Emeritus Vice Chancellor for Health Sciences, Founder, University of Wisconsin Population Health Institute, University of Wisconsin-Madison School of Medicine and Public Health</u>
2001-2016	<u>Co Director, Robert Wood Johnson Foundation Society and Health Scholars Program at UW-Madison</u>
2008-2012	<u>Co Principal Investigator, RWJF Mobilizing Action Towards Community Health (MATCH) grant (County Health Rankings)</u>
1980-2002	<u>Professor of Population Health Sciences (formerly Preventive Medicine)</u> Provide leadership to a campus and statewide health policy and health services research network. Research and teaching in the health workforce, in health status improvement, and in health policy and management.
1988-2000	<u>Director, Non Residential Program in Administrative Medicine, University of Wisconsin-Madison School of Medicine</u> Provide leadership to a campus and statewide health policy and health services research network. Research and teaching in population health and health policy

and management.

- 1993-1995 **Senior Advisor to DHHS Secretary, Donna E. Shalala, ProBono**
 _____ Assisted with her transition, identifying many senior appointees
- 1980-1985 **Vice Chancellor for Health Sciences, University of Wisconsin-Madison**
Professor of Preventive Medicine
 Responsible to the University Chancellor for health science activities including the Schools of Medicine, Nursing, Pharmacy and Allied Health; University of Wisconsin Hospitals and Clinics; the University Health Service; and the State Laboratory of Hygiene. Participated in University-wide administration and policy making as member of the University Administrative Committee. Academic activities included research and teaching in health manpower and health services administration.
- 1976 - 1980 **Director, Montefiore Hospital and Medical Center, Bronx, NY**
 Chief operating officer of 1300 bed teaching hospital with multiple ambulatory facilities, affiliated with the Albert Einstein College of Medicine. Major projects: plan creation of medical center with the Albert Einstein College of Medicine, \$80 million renovation program, productivity improvement program, consolidation of ambulatory care activities, consolidation of laboratory medicine; develop community relations and neighborhood stabilization program.
- 1974 - 1976 **Deputy Director, Bureau of Health Manpower, U.S.Department of Health, Education and Welfare**
 Bureau administers \$600 million in federal educational funds to schools of the health professions, including medicine, dentistry, nursing, allied health and public health.
- 1973 - 1974 **Co-Director, Institute for Health Team Development, Montefiore Hospital and Medical Center, Bronx, New York**
 Responsible for administration and evaluation of project funded by Robert Wood Johnson Foundation to determine the most effective methods of training undergraduate health science students in interdisciplinary teamwork.
- 1971 - 1973 **First Director, Division of Professional Services, National Health Service Corps, DHEW**
 Responsible for the recruitment, assignment, supervision, continuing education, and quantity and quality of care evaluation for 400 health professionals assigned to 170 rural and inner city manpower shortage areas.
- Nov, 1970 – Jul 1971 **Acting Medical Director, Martin Luther King Jr. Neighborhood Health Center, South Bronx, New York.**
 Responsible for line management of medical department of eight primary health teams and supporting specialty services. Developed a team management approach and quantity and quality evaluation strategies.

1969 - 1970

Program Coordinator, Montefiore Hospital and Medical Center, Internship and Residency in Social Medicine

Under an OEO grant, developed the first internship and residency program that combined traditional hospital training in medicine or pediatrics, weekly team practice in a neighborhood health center, and formal training in social medicine.

Academic Appointments

1980-	Professor of Preventive Medicine/Population Health Sciences, University of Wisconsin-Madison School of Medicine
1988	Visiting Professor, Beijing Medical University, School of Public Health
1987	Visiting Professor of Health Management, Shanghai Second Medical University
1978-80	Associate Professor, Department of Community Health, Albert Einstein College of Medicine
1970-71	Instructor, Albert Einstein College of Medicine, Department of Community Health

Honors

2012	Folkert Belzer Award for lifetime faculty achievement, UW School of Medicine
2007	Wisconsin Public Health Association Distinguished Service to Public Health
2003	Distinguished Service Award, University of Chicago School of Medicine
1998	Ohio University College of Osteopathic Medicine Philips Medal of Public Service
1998	Honorary Fellow, American College of Physician Executives
1996	Fellow - Association for Health Services Research
1996	Elected to Institute of Medicine, National Academy of Sciences
1985-89	Kellogg International Health Fellowship Member of the first class of fellows-projects in international health management education
1973	United States Public Health Service Surgeon General's Commendation Medal - "for outstanding contribution in providing more than 200 communities with needed health professionals"
1973	American Medical Association Certificate of Humanitarian Service - "for outstanding and dedicated service in implementing goals and objectives of the National Health Service Corps"
1965	University of Chicago - Upjohn Award for "outstanding accomplishments as a medical student"

Recent Professional Activities

2017-2019	Board of Directors and Finance Chair, IAPHS
2012-2018	Co-Chair and Co-Founder, Institute of Medicine Roundtable on Population Health Improvement
2002-2003	Chair, Institute of Medicine Health Literacy Committee
1993-97	Chair, Federal Council on Graduate Medical Education (COGME)
1993-95	Senior Advisor to DHHS Secretary, Donna E. Shalala
1994-95	Institute of Medicine, Committee on Health Services Research Training and Workforce
1997-98	President & member of Executive Committee, Association for Health Services Research
1991-94	Board, Association of University Programs in Health Administration
1994	Governor's Task Force on Hospital and Academic Medical Center Costs
1991-99	Editorial Board, <u>Health Affairs</u>

1995-98 Gundersen Medical Foundation National Advisory Council
 1996-98 The University of Chicago, Biological Sciences Division Council

Prior Professional Activities

1967-68 National President, American Medical Student Association
 1967-69 National Intern Matching Plan Board of Directors
 1967-68 USPHS Surgeon General's Task Force on Smoking and Health
 1979-82 Senior Program Consultant, Robert Wood Johnson Foundation
 1979- Society of Medical Administrators
 1983-84 Chairman, Wisconsin State Laboratory of Hygiene Board of Directors
 1982-86 American Medical Student Association Foundation Board of Directors
 1984-86 President, American Medical Student Association Foundation Board
 1984-87 Technical Advisor to PROJECT HOPE, Establishment of School of Public Health at the University of Panama
 1985-86 Chair, Wisconsin Governors Task Force on AIDS
 1989-90 "Blue Ribbon" Commission for the Governance of Milwaukee County Medical Center
 1990-92 Study Section on Dissemination of Health Services Research, USDHSS Agency for Health Care Policy and Research
 1991-92 Chair, Wisconsin AHEC System Advisory Board
 1991-94 Commissioner, Medicare Prospective Payment Review Commission
