

Center for Demography of Health and Aging
University of Wisconsin-Madison

How to Acknowledge Grant Funding in Papers and Presentations

Who Has to Do This?

- If you are a CDHA affiliate (<http://www.ssc.wisc.edu/cdha/people.html>) and the work is aging-related, include the NIA P30 grant number.
- If you were supported as a trainee, include the appropriate training grant (NIA T32).
- The relevant research grant, where appropriate (usually R01 or R03)
- If you wish to spell out NIA in your acknowledgments, note that the full name is the National Institute on Aging.
- Note: all 0s in grant numbers are zeros, not the letter O, including R01 and R03.

Grant Numbers

Center for Demography of Health and Aging: P30 AG017266

NIA Training Grant (Population, Life Course and Aging): T32 AG00129

Example Acknowledgments

Example 1:

This research was supported by a National Institute on Aging grant to the Center for Demography of Health and Aging at the University of Wisconsin-Madison (P30 AG017266).

Example 2:

The authors gratefully acknowledge use of the facilities of the Center for Demography of Health and Aging at the University of Wisconsin-Madison, funded by NIA Center Grant P30 AG017266.

Example 3:

This research was supported by the grant T32 AG00129, awarded to the Center for Demography of Health and Aging at the University of Wisconsin-Madison by the National Institute on Aging.
