Dissertation Title: Feasibility Study: Culturally and Linguistically Congruent Survey for Intergenerational Dyads from Collectivist Cultures	2017
--	------

Professional Experience

Assistant Professor, University of Wisconsin-Madison	2019 - Present
Postdoctoral Fellow, T32 Health Disparities through Informatics, Columbia University, New York City, NY	2017 - 2019
Postdoctoral Research Scientist, Columbia University, Biomedical Informatics	2017
Instructional Designer for Online Courses, University of Wisconsin-Madison, School of Nursing	2016 - 2017
University Services Program Associate, University of Wisconsin-Madison, School of Nursing	2017
Instructional Designer for Online Course, University of Wisconsin-Madison, School of Nursing	2016 - 2017
Teaching Assistant, University of Wisconsin-Madison, School of Nursing	2016 - 2017
Virtual Lab Student Co-Instructor, University of Wisconsin-Madison, School of Nursing	2016 - 2017
Teaching Assistant: Nursing 702, University of Wisconsin-Madison, School of Nursing	2016
Research Office Project Assistant, University of Wisconsin-Madison, School of Nursing	2014 - 2016
Teaching Assistant: Nursing 105, University of Wisconsin-Madison, School of Nursing	2014
Registered Nurse Intern, University of Wisconsin Medical Foundation	2012
Registered Nurse, Sunny Hill Healthcare Center, Madison, WI	2010

Licensures and Certifications

Preventing Chronic Pain: A Human Systems Approach, Coursera	August 2021 - Present
Basic Cardiac Life Support, American Heart Association	2017 - Present
Registered Nurse (WI), WI Board of Nursing	2012 - Present

Awards and Honors

2023 Top 10 Oral Abstracts, International Conference on Communication in Healthcare	October 2023
