

**CURRICULUM VITAE
MAUREEN S. DURKIN**

January 2023

Education

B.A.	Asian Studies	University of Wisconsin-Madison	1977
M.A.	Anthropology	University of Wisconsin-Madison	1979
Ph.D.	Anthropology	University of Wisconsin-Madison	1982
M.P.H.	Epidemiology	Columbia University	1985
Dr.P.H.	Epidemiology	Columbia University	1988

Traineeships

Columbia University Psychiatric Epidemiology Training Program	1982-1985
Postdoctoral Fellowship (National Institute of Mental Health)	
Individual Postdoctoral Fellowship (National Institute of Child Health & Human Development)	1985-1987

Professional Organizations and Societies

American College of Epidemiology
 American Public Health Association
 International Society for Autism Research
 International Association for the Scientific Study of Intellectual Disability
 Society for Epidemiologic Research
 Society for Paediatric and Perinatal Epidemiologic Research

Academic Appointments and Positions

Post-Doctoral Research Scientist, Sergievsky Center, Columbia University	1985
Associate Research Scientist in the Sergievsky Center, Columbia University	1987-1991
Research Scientist V, New York State Psychiatric Institute	1988-2002
Assistant Professor of Public Health (Epidemiology) in the Sergievsky Center, Columbia University	1991-1999
Associate Professor of Clinical Public Health (Epidemiology) in the Sergievsky Center, Columbia University	1999-2001
Director of Perinatal and Neurodevelopmental Research, Sergievsky Center, Columbia University	2000-2002

Associate Professor of Clinical Epidemiology in the Sergievsky Center, Columbia University	2001-2003
Director of Research and Evaluation, Injury Free Coalition for Kids, Robert Wood Johnson Foundation, National Office, Mailman School of Public Health, Columbia University	2001-2006
Associate Professor of Population Health Sciences, University of Wisconsin-Madison	2003-2008
Waisman Center Investigator, University of Wisconsin-Madison	2003-
Associate Professor of Pediatrics, University of Wisconsin-Madison	2006-2008
Professor of Population Health Sciences and Pediatrics, University of Wisconsin-Madison	2008-
Adjunct Professor, Joseph J. Zilber School of Public Health, University of Wisconsin-Milwaukee	2013-
Vice-Chair, Department of Population Health Sciences, UW-Madison	2013-2016
Director of the Graduate Program, Department of Population Health Sciences, University of Wisconsin School of Medicine and Public Health	2013-2016
Interim Chair, Department of Population Health Sciences, UW-Madison	2016-2017
Evan and Marion Helfaer Professor of Public Health and Chair, Department of Population Health Sciences, UW-Madison	2018-
Co-Director, NIH Intellectual and Developmental Disabilities Postdoctoral Training Grant (T32), Waisman Center, UW-Madison	2020-
Co-Director, Clinical Translational Core, Waisman Intellectual and Developmental Disabilities Research Center, UW-Madison	2020-

Honors and Awards

B.A. awarded with distinction	1977
Title VI National Defense Foreign Language Fellowship	1977-1980
Fulbright Scholar (Kathmandu, Nepal)	1980-1981
Society for Research on Child Development, Summer Institute on Child Development and Social Policy	1984
Dr.P.H. awarded with distinction	1988
FIRST Award, National Institutes of Health	1990-1995
Calderone Prize for Junior Faculty in Public Health, Columbia University	1993
Fellow, American College of Epidemiology	2016

Fellowship and Grant Support

National Institute of Mental Health, Psychiatric Epidemiology Training Program Postdoctoral Fellow	1982-1985
National Institute of Child Health & Human Development, Postdoctoral Fellow	1985-1987
National Academy of Sciences, Rapid Epidemiologic Assessment of Childhood	1987-1989

Disabilities in Bangladesh, Jamaica & Pakistan, Principal Investigator	1988-1990
Epilepsy Foundation of America Research Grant, Prevalence and Risk Factors of Seizure Disorders, Principal Investigator	1988-1990
Centers for Disease Control and Prevention, Epidemiology of Severe Injuries to Children in New York City, Co-Investigator	1988-1990
New York State Department of Health Barriers to Services for Handicapped Children, Principal Investigator	1989-1991
National Institute of Neurological Diseases and Stroke Epidemiology of Neurodevelopmental Disabilities, Principal Investigator	1990-1995
Centers for Disease Control and Prevention, Epidemiology and Prevention of Violent Injuries to Youth, (Harlem Center for Health Promotion and Disease Prevention) Project Director	1992-1999
National Institute on Disability and Rehabilitation Research, Pediatric Trauma and Disability, Project Director	1993-1998
National Institute of Neurological Disorders and Stroke Neuropsychological Outcomes of Neonatal Brain Injuries, Principal Investigator	1997-2002
National Institute of Neurological Disorders and Stroke Epidemiology of Neurodevelopment in Multiple Births, Co-Investigator	1997-2002
New York Department of Transportation Evaluation of the Impact of Safety City Initiatives on Traffic Injuries to New York City Children. Principal Investigator	1998-2001
Centers for Disease Control and Prevention Surveillance of Developmental Disabilities in Developing Countries Principal Investigator	2000-2002
Robert Wood Johnson Foundation Injury-Free Coalition for Kids, Expansion Grant Director of Research and Evaluation	2001-2006
Centers for Disease Control and Prevention Wisconsin Surveillance of Autism and Other Developmental Disabilities System Principal Investigator	2003-2006
Wisconsin Department of Health and Family Services Development and Analysis of an Injury Surveillance System for Injury Prevention Principal Investigator	2004-2005
March of Dimes-Milwaukee, Wisconsin Chapter	2005-2006

Development of Newborn Screening and Prevention of Birth Defects Educational Materials for Hmong-Americans Principal Investigator	
National Institute of Child Health and Human Development National Children's Study - Waukesha County Vanguard Center Principal Investigator	2005-2011
National Institute of Neurological Disorders and Stroke Epidemiology of SBCAD Deficiency in Hmong-Americans NINDS 1 R01 NS051813-01A1 Principal Investigator	2005-2012
Centers for Disease Control and Prevention Wisconsin Surveillance of Autism and Other Developmental Disabilities System Principal Investigator	2006-2010
Multi Indicator Cluster Survey Disability Module UNICEF Principal Investigator	2007-2008
Centers for Disease Control and Prevention Wisconsin Surveillance of Autism and Other Developmental Disabilities System Principal Investigator	2010-2015
Autism Science Foundation Doctoral Training Award (primary mentor for Matthew Maenner)	2010-2011
National Children's Study - Waukesha County Vanguard Center NIH/NICHD Principal Investigator	2011-2012
Collection and Analysis of Placenta Specimens, National Children's Study Mount Sinai School of Medicine Sub-Contract Principal Investigator	2012-2012
Autism Case Confirmation Validation Study, National Children's Study Drexel University Sub-Contract Principal Investigator	2012-2014
Centers for Disease Control and Prevention Wisconsin Surveillance of Autism and Other Developmental Disabilities System Principal Investigator	2015-2018
Health and Human Services Ventures Award Automated Autism Classification for Public Health Surveillance Team Member	2016-2017
Centers for Disease Control and Prevention Study to Explore Early Development of Autism Spectrum Disorder Principal Investigator	2016-2021
Maternal and Child Health Bureau Care Integration for Children and Youth with Autism Spectrum Disorder Principal Investigator	2016-2019
National Institute of Child Health and Human Development Epidemiology of Social Communication Disorder, K18 Award (S Ellis-Weismer)	2018-2020

Primary Mentor	
Centers for Disease Control and Prevention Wisconsin Surveillance of Autism and Other Developmental Disabilities System Principal Investigator	2019-2022
HRSA State Implementation Grants for Improving Services for Children and Youth with ASD Co-Investigator	2019-2023
National Institutes of Health/National Institutes of Drug Abuse Promoting resilience in children: Protocol Development for a Birth Cohort Study to Access Factors Impacting Neurodevelopment Co-Investigator	2019-2021
Centers for Disease Control and Prevention Expanding the evidence-base for prevention strategies to improve the health of women, infants, and families. Co-Investigator	2019-2022
National Institute of Child Health and Human Development Pregnancy rates, risk factors, and child and mother outcomes for women with intellectual and developmental disabilities in Wisconsin Co-Investigator	2019-2021
National Institute of Child Health and Human Development Postdoctoral Training in Intellectual and Developmental Disabilities (T32) Co-Director	2020-2025
Centers for Disease Control and Prevention Study to Explore Early Development Racial and Ethnic Disparities Supplement Principal Investigator	2021-2022
National Institute of Child Health and Human Development Health Disparities Research Scholars Postdoctoral Training Program (T32) Principal Investigator	2021-2023
National Institute of Child Health and Human Development Waisman Center Intellectual and Developmental Disabilities Research Center (U54) Co-Director, Clinical Translation Core	2021-2026
Centers for Disease Control and Prevention Follow-Up Study to Explore Early Development of Autism Spectrum Disorder Principal Investigator	2021-2026
Centers for Disease Control and Prevention Wisconsin Surveillance of Autism and Other Developmental Disabilities System Principal Investigator	2023-2026

Departmental and University Committees

Division of Epidemiology, Columbia University School of Public Health Committee on Faculty Teaching, Chair, Methods Curriculum Committee	1991 1993
--	--------------

G.H. Sergievsky Center, Columbia University Executive Committee	1993-1999
Columbia University School of Public Health Committee on Faculty Hiring and Advancement	1994-1997
Steering Committee	1996-1998
Columbia University Graduate School of Arts and Sciences Associate Member, Doctoral Sub-Committee on Epidemiology	1994-2002
Columbia University College of Physicians and Surgeons, Scientific Advisory Committee of the General Clinical Research Center	1999-2002
Mailman School of Public Health, Columbia University Committee to Review Speaker Award Proposals	2000-2001
University of Wisconsin School of Medicine and Public Health, Department of Population Health Sciences, Committee on Recruitment and Admissions	2002-2006
Genetic Epidemiologist Search Committee	2006
MPH Program Faculty	2006-
Doctoral Qualifier Examination Committee	2006-2011
Sleep Epidemiologist Search Committee	2007
Steering Committee	2008-
Master of Public Health Program Steering Committee	2010-2012
Master of Public Health Curriculum Committee	2011-2016
Population Health Steering Committee,	2013-2016
Population Health Curriculum Committee, (Chair 2013-2016)	2013-
Epidemiology Program, Chair	2013-2016
Population Health and Epidemiology Admissions Committee	2013-2016
Preventive Medicine Residency Evaluation Committee	2019-
Center for Urban Population Health, Executive Committee	2003-2009
Medical Education and Research Committee (MERC)	2004-2007
MERC New Investigator Program Review Committee	2005-2007
MERC Conflict of Interest Policy Committee	2007
Lifecourse Initiative Faculty Leader Search Committee	2013
Basic Science Research Strategic Planning Committee	2014
University of Wisconsin School of Medicine and Public Health, Partnership Education and Research Committee (PERC) Review Panel	2014-2021
Budget Advisory Committee	2014
Alzheimer's Disease Institute Director Search Committee	2014-2015
Waisman Center Director Search Committee	2016
Master of Public Health (MPH) Program, Steering Committee	2017-
Population Health Institute, Executive Committee	2018-
Center for Human Genomics and Precision Medicine, Internal Advisory Committee	2018-2021
University of Wisconsin-Madison Waisman Center, Intellectual and Developmental Disabilities Research Center Executive Committee	2011-
Morse Society Fellowship, Executive Committee	2013-2014
University Center for Excellence in Developmental Disabilities, Leadership	2011-

in Education for Neurodevelopmental Disabilities (LEND) Training Program Faculty	
University of Wisconsin-Madison Global Health Initiative Executive Committee, (Chair 2014-2018)	2014-2019
University of Wisconsin School of Business, Dean Search Committee	2016-2017
University of Wisconsin-Madison, Graduate School Waisman Center Director Search Committee	2017
University of Wisconsin-Madison, IRB Working Group	2017-2018
University of Wisconsin-Madison, Population Health Institute/Robert Wood Johnson Foundation County Health Rankings and Roadmaps Director Search Committee	2019
University of Wisconsin Prevention Research Center, Steering Committee	2019-
University of Wisconsin-Madison Waisman Center, University Center of Excellence in Developmental Disabilities Director Search Committee	2019
University of Wisconsin-Madison Chair of Family Medicine and Community Health Search Committee Co-Chair	2019-2020
University of Wisconsin-Madison Global Health Initiative Advisory Committee	2020-2021
University of Wisconsin-Madison Global Health Institute Director Search Committee	2022
University of Wisconsin-Madison Chair of Medical History and Bioethics Search Committee Co-Chair	2022-2023

Teaching

Teaching Assistant, Principles of Epidemiology I and III	1984-1986
Examiner, Doctoral Qualifying Examination (Epidemiology Methods)	1991-1997
Masters Essay Primary and Co-Reader, Division of Epidemiology	1991-2002
Student Advisor, Division of Epidemiology	1991-2002
Instructor, Design & Conduct of Observational Epidemiologic Studies	1992-1995
Lecturer, Principles of Epidemiology I	1993-1995
Instructor, Epidemiology of Disability	1995
Examiner, Doctoral Qualifying Examination (Environmental Sciences)	1996
Examiner, Doctoral Qualifying Examination (Epidemiology, General)	1997-2002
Lecturer, Perinatal Epidemiology	1998
Instructor, Perinatal Epidemiology	2000-2002
Instructor, Tutorial in Injury Epidemiology and Control	2001-2002
Lecturer, Public Health Surveillance	2003
Instructor, Global Health Epidemiology	2004-
Lecturer and Section Leader, Introduction to Population Health Sciences /Global Public Health	2005-
Lecturer and Section Leader, Principles of Population Medicine and Epidemiology	2006-2015
Instructor, Graduate Research Seminar	2015
Instructor, Monitoring Population Health	2015-2018
Instructor, Public Health Surveillance and Analytics	2020-

Other Professional Activities

EDITORIAL BOARDS AND CONSULTANCIES

Acta Paediatrica
American Journal of Epidemiology
American Journal of Public Health
Annals of Epidemiology
Archives of General Psychiatry / JAMA Psychiatry
Autism
Autism Research
Bulletin of the World Health Organization
Developmental Medicine and Child Neurology
Disability and Health Journal (Editorial Board)
Early Human Development
European Journal of Pediatrics
 Harvard University Press
Injury Epidemiology Journal (Editorial Board)
International Journal of Epidemiology
International Journal of Mental Health
International Society for Autism Research (IMFAR abstract reviewer)
JAMA Pediatrics
Journal of Autism and Developmental Disorders
Journal of Epidemiology & Community Health
Journal of Health Care for the Poor and Underserved
Journal of Intellectual and Developmental Disabilities
Journal of Pediatrics
Journal of Substance Abuse
Lancet
Nature
Paediatric & Perinatal Epidemiology
Pediatrics
PLoS One
Social Science and Medicine
Southern Medical Journal

SCIENTIFIC CONSULTANCIES

World Health Organization, Western Pacific Region	1991
United Nations Office of Disability Statistics, New York	1992-2002
National Institutes of Health, Ad Hoc Study Section, Bethesda	1992-1995
Injury Control and Emergency Medicine Section, American Public Health Association, Washington, DC	1993-2002
New York State Department of Health, Bureau of Injury Control, Albany	1994-1996

Allina Foundation, Minneapolis	1995
William T. Grant Foundation, New York	1996
The Wellcome Trust, London	1997
National Head Start Research Conference, Washington, DC	1998-2002
Technical Review Group, North Carolina Office on Disability & Health, Chapel Hill	1999
The Hospital for Sick Children Foundation, Toronto	2000
National Association for Special Education, Alexandria, VA	2000
New York Academy of Medicine, New York	2000-2002
New York City Office of the Chief Medical Examiner, New York	2001
Association for Science in Autism Treatment, Board of Advisors	2001
The National Academies, Institute of Medicine, Technical Reviewer, Washington, DC	2001-2002
The World Bank, Review of Child Find in Developing Countries, Washington, DC	2002
Consultancy on Brain Disorders and Cognitive Function in Low and Middle Income Countries: Developing a Research Agenda, National Institutes of Health Fogarty International Center, Bethesda	2003-2005
Disease Control Priorities in Developing Countries Project, National Institutes of Health Fogarty International Center, Bethesda and The World Bank, Washington, DC	2005-2006
Organization for Economic Cooperation and Development, Paris	2005-
National Institutes of Health, Brain Disorders in Developing Countries Grant Review Panel, Bethesda	2006
National Institutes of Health, Scientific Review Panel, Assistive Reproductive Technologies and Neurodevelopment, Bethesda	2007
Autism Speaks - CDC International Autism Epidemiology Network, Seattle	2007
UNICEF, Multi-Indicator Cluster Survey, Childhood Disability Module, New York	2007-2009
Autism Speaks – Scientific Review Panel, Environmental Factors and Autism	2008
National Institutes of Health, Scientific Review Panel, Neurology, Aging and Musculoskeletal Epidemiology (NAME), ad hoc reviewer	2008-2016
Autism Speaks – Chair, Scientific Review Panel, Research in Developing Countries	2008
International Clinical Epidemiology Network (INCLIN), Epidemiologic Study of Neurodevelopmental Disabilities, India	2008-2016
Centers for Disease Control and Prevention, Special Emphasis Panels	2009-
UNICEF, Measurement of Childhood Disability, New York	2012-2014
UNICEF, Advisory Board, State of the World’s Children 2013, New York	2012-2013
Autism Speaks, Scientific Review Panel, Environmental Epidemiology, New York	2012
World Health Organization, Consultation on Autism Spectrum Disorders and Other Developmental Disorders, Geneva	2013
Inter-Agency Autism Coordinating Committee (IACC), Invited Expert for the 2013 Strategic Plan Update, National Institutes of Health, National Institute of Mental Health, Centers for Disease Control and Prevention, National Institute of Environmental Health Sciences, Rockville, Maryland	2013
Wisconsin Partnership Program, New Investigator Program, Grant Review Panel	2013

Azrieli Neurodevelopmental Multi-Investigator Research Initiative, Azrieli Foundation and Brain Canada Research Fund, Grant Review Panel	2013
Center for Disease Control and Prevention, Special Emphasis Panel DD14-001: Surveillance and Research of Muscular Dystrophies and Neuromuscular Disorders, Grant Review Panel	2014
Center for Disease Control and Prevention, Special Emphasis Panel DD14-002: Research Approaches to Improve the Care and Outcomes of People Living with Spina Bifida, Grant Review Panel	2014
Center for Disease Control and Prevention, Assessing the Public Health Burden of Fetal Alcohol Spectrum Disorders (FASDs), Expert Panelist	2014
Consultancy, World Health Organization, Measurement of Early Child Development and Disability, Geneva	2014
Center for Disease Control and Prevention, Special Emphasis Panel DD15-001: Research Approaches to Improve the Care and Outcomes of People Living with Spina Bifida, Grant Review Panel	2015
Center for Disease Control and Prevention, Special Emphasis Panel DD15-003: Fragile X, Grant Review Panel	2015
National Institutes of Health, Long-Term Outcome of Assisted Reproduction, Scientific Review Panel	2015
Autism Speaks, Open Source Screening and Diagnostic Tools, Committee Member	2016
Disease Control Priorities in Developing Countries, Reviewer	2016
National Institutes of Health, National Institute of Mental Health, Centers for Disease Control and Prevention, National Institute of Environmental Health Sciences, Inter-Agency Autism Coordinating Committee (IACC), Strategic Plan for ASD Research Update Working Group, External Member	2016
University of California, Coordinating Committee on Graduate Affairs, Review of the UC Merced Public Health MS and PhD Degree Program Proposal, Reviewer	2016
National Institutes of Health, Scientific Review Panel for Mobile Health Technology in Low and Middle Income Countries	2017
European Commission, Scientific Review Panel for HORIZON 2020 Global Alliance for Chronic Diseases (GACD) Prevention and Management of Mental Disorders	2017
National Institutes of Health, Scientific Review Panel for Implementation Science for the Prevention and Treatment of Mental and/or Substance Use Disorders in Low- and Middle-income Countries	2017
National Institutes of Health, Scientific Review Panel, Neurology, Aging and Musculoskeletal Epidemiology (NAME), Nominated Member	2017-2021
European Commission, Scientific Review Panel for Understanding Causal Mechanisms and Co-Morbidities (BHC-01-2018: SC1-BHC-01-2019)	2018
Center for Disease Control and Prevention, Coordinating Center for Research and to Promote the Health of People with Developmental and Other Disabilities Field Review Panel	2018
Medical Research Council, Scientific Peer Review Panel	2018-2019
Center for Disease Control and Prevention, Special Emphasis Panel DD19-002: The Muscular Dystrophy Surveillance, Tracking and Research Network,	2019

Grant Review Panel	
National Institutes of Health, Division of Intramural Research, Site Reviewer	2021
University of Maryland School of Medicine Graduate Program in Epidemiology and Human Genetics, External Site Reviewer	2021

TASK FORCE & STEERING COMMITTEE PARTICIPATION
(EXTERNAL TO UNIVERSITY)

Harlem Hospital Center for Health Promotion and Disease Prevention Steering Committee	1993-1998
Task Force to Revise the International Classification of Impairments, Disabilities and Handicaps, Centers for Disease Control and Prevention, Atlanta	1994
Task Force to Plan New Epidemiologic Strategies to Address World Mental Health Problems in Low Income Populations, World Health Organization, New York	1996
Institute of Medicine Committee on Nervous System Disorders in Developing Countries. Washington, DC	1999-2001
State of the World's Children 2001, UNICEF, New York	2000
Autism and Developmental Disabilities Monitoring Network, Centers for Disease Control and Prevention, Atlanta	2004-
Steering Committee, National Children's Study, National Institutes of Child Health and Human Development, Bethesda	2005-2012
Autism Speaks - CDC International Autism Epidemiology Network, Screening and Diagnosis Working Group, New York, New York	2007-2008
Autism Speaks – National Children's Study Working Group	2008-2009
Scientific Advisory Board, Grand Challenges in Global Mental Health, NIMH, Wellcome Trust, McLaughlin-Rotman Centre for Global Health, and the London School of Hygiene and Tropical Medicine	2010-2011
National Institute of Child Health and Human Development (NICHD) Scientific Vision for the Next Decade Task Force for Behavior and Cognition, Bethesda, MD	2012
Global Partnership on Children with Disabilities, Early Child Development Task Force, United Nations Partnership to Promote the Rights of Persons with Disabilities, and UNICEF, New York, NY	2013-
Institute of Medicine Committee to Evaluate the Supplemental Security Income (SSI) Program for Children with Mental Disorders, Washington, DC	2014-2015
Autism Speaks, Scientific and Public Health Advisory Panel, New York, NY	2017-
Wisconsin Birth Defects Council, Wisconsin Department of Health Services	2018-
World Health Organization, Technical Meeting on the Global Report on Developmental Disabilities, Geneva	2019
Conference Co-Chair, Autism: Achieving Health Equity. Autism Speaks, Washington, DC	2019

INVITED LECTURES

Nanjing Institute of Child Development, Lecture Series on the Epidemiology of Neurodevelopmental Disabilities in Children, Nanjing, Peoples Republic of China	1991
National Institute of Neurological Disorders and Stroke, International Studies of the Epidemiology of Neurodevelopmental Disabilities, Bethesda	1992
Centers for Disease Control and Prevention, Seminar on New Risk Factors for Birth Defects, Atlanta	1996
The World Bank, Seminar on Pilot Programs for the Prevention and Treatment of Disorders of the Nervous System, Washington, DC	1996
University of Pennsylvania, International Medical Programs, Epidemiology and Prevention of Neurodevelopmental Disabilities, Philadelphia	1998
Robert Wood Johnson Foundation, Evaluation of Community Interventions for the Prevention of Pediatric Injuries, New York	1998
Columbia University, Neurology Grand Rounds, Neuropsychological Outcomes of Neonatal Brain Injuries, New York	1999
United Nations, International Seminar on the Measurement of Disability, New York	2001
National Institutes of Health, Conference on Stigma and Global Health, Bethesda	2001
National Academy of Sciences, Board on Global Health, Workshop on Emerging Infections, Washington, DC	2001
National Association of Children's Hospitals and Affiliated Institutions, Conference on Partners in Prevention: Making Communities Injury Free, Dallas	2002
Centers for Disease Control and Prevention, Surveillance of Developmental Disabilities Associated with Nutritional Deficiencies in Low Income Countries, Atlanta	2005
International Child Neurology Congress, Invited Plenary Lecture, Toronto	2006
International Meeting for Autism Research (IMFAR), Developing a New World of Epidemiology Symposium, Seattle	2007
Children's Hospital of Pittsburg, Pediatrics Grand Rounds, Epidemiology of Autism Spectrum Disorder, Pittsburg	2010
University of Wisconsin School of Medicine and Public Health, Pediatrics Grand Rounds, The National Children's Study: Discovery of Environmental Factors Affecting Children's Health, Madison, Wisconsin	2012
UNICEF, Measurement of Child Disability in International Population-Based Studies, New York	2012
University of Wisconsin-Madison, Department of Population Health Sciences Seminar Series, The National Children's Study: Lessons Learned and Future Opportunities to Advance Children's Environmental Health, Madison, Wisconsin	2012
University of Wisconsin School of Medicine and Public Health Pediatrics Grand Rounds, The Epidemiology of Autism Spectrum Disorder, Madison, Wisconsin	2013
Joseph J. Zilber School of Public Health, University of Wisconsin-Milwaukee, Epidemiology of Developmental Disabilities in Wisconsin.	2013

International Meeting for Autism Research, Keynote Address, Epidemiology of Autism Spectrum Disorder: Toward a More Inclusive World. San Sebastian, Spain	2013
Invited Lecture, The Rising Prevalence of Autism Spectrum Disorder, Wisconsin Technology Council, Madison, Wisconsin	2013
World Health Organization, Epidemiology of Autism and Other Developmental Disorders: Current Evidence and Gaps in Knowledge, Geneva	2013
Columbia University Epidemiology Scientific Symposium, Moving Toward Inclusion, Where are We Now? Putting Childhood Disability on the Map”, New York	2013
Wisconsin Leadership in Education for Neurodevelopmental Disabilities, Regional Meeting, Disparities in ASD Prevalence by Race/Ethnicity and Socioeconomic Status: Results from the ADDM Network, Milwaukee, Wisconsin	2013
Waisman Center, John D. Wiley Seminar Series, Reflections on the Epidemiology of Autism and Autism Spectrum Disorder, 1966 To 2066, Madison, Wisconsin	2013
World Health Organization, Measuring Child Disability Within the Context of Early Child Development, Measurement of Early Child Development & Disability, Geneva	2014
Johns Hopkins University School of Medicine Course, Spectrum of Developmental Disabilities, Intellectual Disability: At the Precipice. Invited Lecture, Intellectual Disability: Is it Decreasing? Baltimore	2014
Netherlands 14th National Autism Congress, The Epidemiology of Autism Spectrum Disorder: A Global Perspective, ‘s-Hertogenbosch, The Netherlands	2014
National Academy of Sciences, Institute of Medicine, Forum on Investing in Young Children Globally, Workshop 1: The Cost of Inaction, Developmental Potential and the Epidemiology of Child Disability, Washington, DC	2014
University of California, Davis, MIND Institute, Distinguished Lecture Series, Epidemiology of Autism Spectrum Disorder, an Emerging Global Public Health Priority, Davis, California	2014
Johns Hopkins University Bloomberg School of Public Health, Autism Speaks-INSAR Global Perspective: Making the Case. Technical Meeting on Autism Screening and Diagnosis in Low Resource Settings: Challenges and Opportunities to Enhance Research and Service Worldwide, Baltimore	2014
Waisman Center Early Childhood Series, Trends in the Prevalence of Autism Spectrum Disorders, Madison, Wisconsin	2014
Central Wisconsin Center, Medical Staff Center Rounds, By the Numbers: Autism and Developmental Disabilities Epidemiology, an Update. Madison, Wisconsin	2015
Simons Foundation, Autism: Emerging Concepts Lecture Series, Trends in Prevalence and Future Directions in the Epidemiology of Autism Spectrum Disorder: The Impact of Social and Cultural Factors, New York	2015
McGill University, Knowledge to Action Workshop: Global Mental Health, Open Science, Montreal	2015
International Meeting for Autism Research, Autism and Society Panel, Contrasting Trends in the Prevalence of Intellectual Disability and Autism Spectrum Disorder, Salt Lake City	2015
Sauk County, Creating Our Health Community Plan, Population Health, Baraboo, Wisconsin	2015

National Academy of Medicine, Workshop on Ensuring Quality and Accessible Care for Children with Disabilities and Complex Health and Educational Needs, Keynote Address, Disability Names and Numbers: Challenges and Opportunities in Nosology, Epidemiology, and Equity/Disparity, Washington, DC	2015
Simons Foundation, Spectrum Webinar Series, Invited Lecture, Epidemiology of Autism and Intellectual Disability: Names, Numbers and Opportunities to Improve Public Health.	2016
Marshfield Clinic, Pediatrics Grand Rounds, Epidemiology of Autism Spectrum Disorder. Marshfield, Wisconsin	2016
Michigan State University, Department of Epidemiology and Biostatistics Seminar, Socioeconomic status and the prevalence of neurodevelopmental disabilities: causal directions and public health implications. East Lansing, Michigan	2018
Michigan State University, Distinguished Lecture in Autism and Intellectual Neurodevelopmental Disabilities (RAIN), Trends on the epidemiology of autism spectrum disorder in the United States. East Lansing, Michigan	2018
University of Wisconsin School of Medicine and Public Health, Department of Obstetrics and Gynecology Grand Rounds, Rising Prevalence of Autism and Other Developmental Disabilities: Contribution of Perinatal Risk Factors.	2019
University of Wisconsin School of Medicine and Public Health, Department of Family Medicine and Community Health Grand Rounds, Epidemiology of Autism Spectrum Disorder.	2019
Wisconsin Legislative Council, Symposium on Autism Diagnosis and Treatment Policy	2020
PCORI Workshop, Methodological Challenges in Intellectual and Developmental Disabilities Research, Definition and Measurement Issues, https://www.pcori.org/events/2021/pcori-workshop-methodologic-challenges-intellectual-and-developmental-disabilities-research	2021
State University of New York Downstate Medical Center, Leadership in Neuro-Developmental Disabilities Didactic Seminar, Epidemiology of Autism Spectrum Disorder	2021
